

PURE_BEN

He/Him/His

Jan '26

Streamer & Content Creator

Pure_Ben is dedicated to deep-dive analysis of game design, industry trends and gaming history. His content focuses on an educated, engaged audience that values quality and consumer rights over hype.

Ben's approach to viewers is to provide a welcoming and inclusive community space. Viewers are encouraged to engage with a vibrant Discord community, sharing hobby and gaming interests, participating in co-creation evenings and community games nights both on and off stream.
